Dear Friend,

This PDF contains the handouts for the “How to Get \$1,000’s in 100% FREE Advertising to Get More Traffic, Build a Big Mailing List, and Make More Money” teleseminar. **I recommend you print a copy and keep it close.**

You will notice I have given you “slides” and space to take notes with each slide.

I will talk about each “slide” in this PDF and then give you specific shortcuts and secrets that you will want to write down. On this teleseminar, I’m going to give you the exact same secrets and shortcuts that have made me millions of dollars, using a handful of my best no-cost marketing secrets. Best of all, I’m going to reveal some tactics that I’ve never found in any books, courses, or even at expensive live seminars. Be sure to have a printed copy of these notes nearby when you call in. It will significantly increase the value you receive from our time together.

## **“Are You Just Doing This to Sell Something or Will There Be Truly Valuable Information on This Call?”**

Someone sent me an E-mail with that question, and I thank them for the chance to answer it. Frankly, I don’t blame anyone for being skeptical. But instead of trying to prove the value of this call right here, I’m going to put my money where my mouth is:

The teleseminar is going to be absolutely jam-packed with real, honest-to-goodness secrets, shortcuts, and methods for making a solid six-figure income. So, when you call in for the teleseminar on April 22nd, I’m going to make you **an unusual guarantee.**

Attend the teleseminar, pay close attention, and take notes. At the end, if you feel I haven’t given you real, honest “gold nuggets” of money-making wisdom that you can use and profit from, tell me in an email and I’ll donate \$20 to Habitat For Humanity on your behalf. No hard feelings, and we’ll part ways as friends. Is that fair enough?

I’m looking forward to giving you some incredibly valuable information that I know can change your life – and your income – in 2008! Remember, if you have any questions about information marketing you’d like me to answer during the teleseminar, please send an email to me at [support@wealthworld.com](mailto:support@wealthworld.com). I’ll do my best to work yours in.

Best Wishes,  
**Jeff Gardner**
